Leadership and learning are indispensable to each other.” - John F. Kennedy

Overview

The Doctor of Education (EdD) program offers comprehensive coursework that deepens candidates' research expertise and practical knowledge, focusing on original research and doctoral thesis development. Designed to equip educators with the skills to address pressing educational challenges, the program fosters leadership, innovation, and critical thinking, enabling professionals to lead transformative change in education. By enhancing decision-making capabilities, it prepares candidates for pivotal roles in educational institutions. The EdD program is delivered online and expands career opportunities by empowering students with credibility, influence, and respect in their field.

EXAMINE KEY POINTS SUCH AS

Explore methodologies and strategies for conducting impactful educational research.

Develop a solid understanding of the theory and practices related to education.

Analyse approaches to solving complex educational problems through evidence-based decisions.

Assess how theoretical knowledge translates into actionable strategies for improving learning experiences.

Investigate contemporary trends & challenges to align practices with global standards.

About the University

The program is offered by a reputed international university. Aspirants can now advance their career with affordable and flexible degree programs from the leading international university that are supported by a range of global accrediting and affiliating bodies. Individuals will receive the degree from the accredited university that is recognized worldwide and drives excellence in education. The globally recognized university is a private and independent online learning institution operating under the French Education Act, specifically governed by the provisions outlined in the Code de l'Education Articles L 444-1 to 444-11 and R 444-1 to 444-28. The university adheres to stringent regulations and standards to ensure the quality and integrity of our educational offerings.

Objectives

- ✓ To conduct original research and produce a doctoral thesis addressing significant educational challenges.
- ✓ To foster innovative thinking and drive change in educational systems.
- ✓ Strengthen critical thinking and analytical capabilities.
- ✓ To tackle complex issues and improve educational practices.
- ✓ To lead transformative initiatives into the field of education.

Outcomes

By the end of the research students will be able to:

- ✓ Demonstrate expertise in conducting and presenting original research.
- ✓ Lead educational institutions or projects with innovation and sustainable improvements.
- ✓ Apply critical thinking to develop evidence-based strategies.
- ✓ Assume pivotal roles in educational organizations.
- ✓ Positively impact learning experiences and outcomes.

What does a Doctor of Education (EdD) comprise?

There is no need for subject-specific training while pursuing the Doctor of Education (EdD) as you are already a subject matter expert with years of experience.

The program involves the following stages:

Coursework 1 : Foundation of Research - 15 Credits

Coursework 2 : Research Methods and Statistics - 30 Credits

Coursework 3 : Writing your Paper - 15 Credits

Subject Matter Seminar / Webinar Reflective Paper (1000 words) - 30 Credits

Doctoral Thesis (30000 - 35000 words) - 90 Credits

Viva Voce (Thesis Defense) - 60 Credits

Total - 240 Credits

*Through the course work, an individual will become familiar with the theoretical problems relevant to their professional field and reflect on how they can integrate these into their own research project.

Awarding Body

The Doctor of Education (EdD) degree will be conferred by a reputed international university.

The globally recognised university is a private and independent online learning institution operating under the French Education Act, specifically governed by the provisions outlined in the Code de l'Education Articles L 444-1 to 444-11 and R 444-1 to 444-28.
